

Banner Sponsorship Sign up

Support the Douglas Design District by sponsoring a banner on East Douglas!

Your firm's name can be printed on as many as three banners. The banners will be displayed for up to two years. The area for display is from Washington to Oliver on existing poles on both sides of the street in the appropriate business areas. Sponsorship of banners is limited to businesses who are located within the Douglas Design District boundaries.

Banner sponsorship works like this:

1. For Douglas Design District members, \$ 100.00 per banner.
2. For nonmembers, \$ 300.00 per banner.
3. There is a limit of 3 banners per sponsor.
4. Materials, printing and installation costs are covered by this sponsorship.
5. There are three different colors available, but colors and actual locations of banners are selected randomly.
6. All banner sponsorship moneys must be paid in full before printing.
